Lifeline, Inc. Recruiting Volunteers to Assist with Income Tax Assistance Program November 10, 2011

PAINESVILLE, Ohio— Lifeline, Inc., Lake County's Community Action Agency, is currently recruiting volunteers to become trained to assist low to moderate income households with tax preparation next spring. In partnership with the IRS office in Cleveland, Lifeline and its volunteers will undergo varying levels of training, provided free of charge by the IRS.

Lifeline, Inc. will provide free tax assistance to our community beginning in January 2012 through the national Volunteer Income Tax Assistance Program (VITA). The program trains volunteers to prepare simple federal and state tax returns for working families, elderly, and individuals with disabilities. Tax returns are prepared at no cost and training is free.

You can make a real difference in the lives of working families by helping them claim every tax benefit to which they are entitled. Tax payers who take advantage of this free tax assistance can save on tax preparation fees and receive fast refunds.

Anyone can volunteer. No tax accounting experience is necessary, only a desire to help others in need. Volunteers participate in a several training levels. Once certified, volunteers will be scheduled to assist with tax preparation January through April. Lifeline, Inc. will use computers to prepare and transmit tax returns. Other volunteer opportunities include volunteer greeters and screeners.

For more information, please contact Linda Tarach, VITA Site Coordinator at Lifeline, Inc., at 440-354-2148. Please contact Tarach by Nov. 30, 2011 if you are interested in volunteering for the VITA Program!

Lifeline for the Empowerment and Development of Consumers was founded in 1973 with the mission of helping Lake County residents by providing them assistance and life skills programming that is designed to increase self-sufficiency. In 1980 Lifeline became a participating agency of the United Way of Lake County, UWLC, and in 1987 was designated a community action agency by the Ohio Department of Development, ODOD. In 2008, Lifeline was designated as a mental health agency by the Ohio Department of Mental Health.

Today Lifeline continues with the same mission of helping Lake County's low-income residents break the cycle of poverty and make the transition from agency-dependency to self-sufficiency. Lifeline's current programming includes services in the healthcare, housing & energy assistance, information & referral services and consumer education & job training areas. Our motto is 'first to help, then to teach.' Lifeline is currently funded by the UWLC and by grants through the ODOD, the Lake County

Board of Commissioners, the Lake County ADAMHS Board, Lake County Department of Job & Family Services, the City of Mentor, the Western Reserve Junior Service League, the CVS Foundation, Bikers Aiding Local Diabetics and through private donors.
