For Your Information:

Lifeline, Inc., Lake County's Community Action Agency, is now offering Financial Empowerment sessions. Financial Empowerment is financial literacy combined with skill and confidence to use the knowledge. We are opening our financial empowerment sessions to the clients of other social service agencies who serve Lake County residents.

Potential participants for this program are Lake County residents and will need to have a referral from the agency they are working with.

Sessions will begin soon and seats are limited. The sessions will cover a nine-week time period.

Topics will include:

- SMART goals
- Household Cash Flow
- Dealing with Debt
- Understanding Credit Reports
- Protecting your identity

For information and referral forms please contact: Tiffany Menosky at tiffanym@lclifeline.org or (440) 354-2148.

The only way you will ever permanently take control of your financial life is to dig deep and fix the root problem.
